## THOU SHALT NOT...

### New Anthology Breaks All Ten Commandments

Pittsburgh, PA September 27, 2006 — Ever broken one of God's "Big Ten"? Of course you have. We all have. Except for murder and adultery—the consequences of which are obvious—what happened? Feel guilty? Disappoint yourself or someone else? Or did no one even notice?

*Thou Shalt Not...*, Dark Cloud Press's first publication, is an anthology of horror and crime short fiction. In 37 spine-tingling tales, authors including the award-winning Michael A. Arnzen, Lawrence C. Connolly, and others break each one of the Ten Commandments with dire, deadly, or disastrous results.

*Thou Shalt Not...* is a 5.5- x 8.5-inch paperback of 410 pages. You can purchase the anthology for \$17.00 directly from Dark Cloud Press at [www.darkcloudpress.com](http://www.darkcloudpress.com). All major credit cards are accepted. A discount of 10% is given for orders over \$100. You may also order from Shocklines.com or Amazon.com.
